

We Are A Praying Community February 11 2024

St. Luke's is a praying and caring community. Prayer is a spiritual practice. Jesus not only practiced and taught prayer, Jesus consistently demonstrated that God listens deeply to us.

To pray for our families, friends, neighbors, and even our enemies is to invite them into the center of our hearts. Prayer for another is a faithful expression of loving God, loving neighbor, and loving ourselves, for prayer unites these three relational realms.

If there are any ways that St. Luke's can be of support to you or someone you care about please fill out a pew card or let someone in the community know.

Prayers for Lent ♦

May we walk through this season intentionally, removing distractions that take our gaze away from your glory. May we quiet the noise that pulls us from adoration of you and puts our attention on lesser things. May we simplify where we have been stressed, may we surrender what has been burdensome, may we repent of what has been sinful, Lord Jesus.

“God can handle your doubt, anger, fear, grief, confusion, and questions. You can bring everything to God in prayer.”

Rick Warren
